**PHASE I  
OF RENOVATION  
NEARLY COMPLETE!**

## Chamber Facility & Property Project Update

The Wooster Area Chamber of Commerce is pleased to announce that Phase I of the interior renovation project is nearly complete. The staff at the Chamber, Main Street Wooster, and the Farm Bureau are all looking forward to settling into the new office spaces which are all located on the lower level of the building.

Phase II of the interior renovations is scheduled to begin on August 1. This part of the project will transform the upper level of the building into a 50 person conference room which will be available for use by members both during and after business hours.

We would like to thank the companies who have worked diligently to bring this project from a plan to reality. The new space is quite welcoming and has a more modern professional atmosphere which will serve the community for years to come.

## Join the YP's for the Back To School Event at People to People Ministries

The Young Professionals annual volunteer event is right around the corner! The Young Professionals will be assisting People to People Ministries on Monday August 7, 2017 for the 10th year in a row as they put on their yearly Back to School Event. This event at the Wooster Church of Nazarene reaches out to and assists over 350 Wayne County children.

We are looking for volunteers to lend a hand with helping the children pick out clothing and help with cleaning up. The main goal of the Back to School Event is to help Wayne County children find outfits that will make them feel good for their first day of school. This event helps children who do not have the opportunity to buy new clothes but instead get "new" gently used clothing. While volunteering you will serve a role to help children through the make shift shop and select new outfits for the school year.
