

BUILDING BUSINESS & STRENGTHENING OUR COMMUNITY

A successful year under Board Chair Paul Williams

PAUL WILLIAMS
President,
Wooster Motor Ways

The Chamber would like to congratulate the 2017 Chamber Chair of the Board, Mr. Paul Williams, on a successful year. Under his leadership the Chamber completed the interior reconfiguration and upgrade to the organization's facility located at 377 West Liberty Street. Paul played an integral role in securing direct funding and in-kind contributions from various businesses and individuals throughout the community. These funds positioned the Chamber to undergo the project without seeking the assistance from outside financing. Additionally, it supports the current and future operations of the Chamber's close partners in Main Street Wooster and the Wayne County Farm Bureau.

Williams has also volunteered a significant amount of his own time to various Chamber initiatives, programs and events. From leading ticket sales at Woosterfest to offering his professional advisement in the Chamber Wayne Economic Forum, Williams has brought significant value to the organization throughout his tenure as a board member and most recently as his year as Chair.

The Chamber Staff, Board of Directors and Members thank Mr. Paul Williams for his leadership in 2017!

Dec. Safety Council Recap: Creating a Healthy Workplace

The Wooster Area Safety Council finished 2017 strong by meeting on Wednesday, December 13th. Those in attendance heard from Sherry Leggett and Dr. Marianne Bowden of Certified Angus Beef. The duo teamed up to tackle the subject of how to create a psychologically healthy workplace.

Sherry began the presentation by getting the group up and moving. She then outlined some potential job stressors such as low pay and benefits, poor communication, and favoritism. Sherry explained that in order to create a psychologically healthy workplace, there needs to be a balance between factors such as employee recognition, health and safety, work-life balance, employee involvement, and growth and development. In the center of all this is communication. Sherry noted that there are five components of a psychologically healthy workplace. These five components are physical, social, emotional, financial, and intellectual. Dr. Marianne Bowden finished out the presentation by leading the group through several relaxation techniques including Belly Button Breathing, Progressive Relaxation, and Guided Imagery. We would like to thank Sherry and Dr. Bowden for taking the time out of their day to present to the group.

As we finish out the year, we would like to thank Memories Party & Conference Center for their hospitality the past 10+ years. Due to the closing of Memories, the Wooster Area Safety Council will be relocating to First Presbyterian Church in Wooster starting in January. Best wishes to the wonderful staff and ownership at Memories.
