

## 2017 WAYNE COUNTY HOME & GARDEN SHOW

### Calling all Exhibitors: Register Now!

The Wooster Area Chamber of Commerce is looking forward to seeing you at the **27th Annual Wayne County Home and Garden Show on April 29th and 30th, 2017, at the Wayne County Fairgrounds**. This home and garden show is known for providing the perfect place for over 200 exhibitors to feature their products and services to the general public at the lowest exhibit price in the region with the largest attendance in the region. We always look forward to this event and hope that you will join us by registering to participate this year!

The Home and Garden show will bring in approximately 20,000 visitors, allowing your business to reap excellent exposure. In addition to exhibits, the show will feature new car displays, floral displays, a floral competition, a children's garden with free activities, and traditional fair food concessions from a variety of our local vendors.

By participating in the show, your business will receive exhibit space, backdrops and side curtains, electric and water, plus advertising

to over 40,000 households through our various promotions throughout surrounding counties including radio, local cable TV, billboards, flyers, posters, and newspaper advertisements.

If you're interested in participating, visit our website <http://www.woosterchamber.com/events/whg> for a copy of the event contract and application.

We look forward to having you join us for this fun-filled weekend!

# Members Enjoy an Evening on South Market Street

The Chamber was thrilled to invite its membership to a Business After Hours at St. Paul Hotel on February 16, 2017.

The event allowed for participants to tour the new hotel expansion and the addition of H2 Huth and Harris Wine Merchants next door along with visiting Vertical Runner.

The St. Paul Hotel provided generous appetizers and desserts along with beverage service from Bowman Beverage and Blue Barn Farm.

The Chamber offers its congratulations and thanks to the St. Paul Hotel staff for hosting a wonderful event enjoyed by more than 150 members.

# Details on the WARCOG Presented to Safety Council

The Wooster Area Safety Council met on Wednesday, February 22 at 11:30am for a presentation by Cody Post who addressed the topic of emergency 9-1-1 calls. Cody is the Acting Director of the Wooster Ashland Regional Council of Governments (WARCOG) and has over ten years experience in Public Safety. He explained that the WARCOG which includes the cities of Ashland, Orrville, and Wooster, was designed to facilitate collaboration and consolidation. The council is comprised of 12 voting members and serves over 104 square miles and 58,000 people.

He also offered advice to help individuals get much needed assistance should an emergency arise. His first piece of advice is to always know where you are; it is important to be able to give the dispatcher a location of where you are so they know where to send help. Many calls are made from cell phones and the address that registers is that of the cell phone tower which can be miles from where you are physically located. Next, he advised that if you are on the phone with a 9-1-

1 dispatcher, you should answer the questions they ask you and let them lead the conversation. They are trained to ask you certain questions in order to get the information that will be helpful to the emergency professionals when they arrive on site. Last, he talked about paying attention to “big targets” which are more general pieces of information - instead of stating the year, make and model of the car, tell the dispatcher what color it is. If you are describing a person, it is helpful to know that person’s race, age range, estimated height, hair color and length, what type of body build, and a description of what they are wearing.

The Chamber would like to thank Cody Post for his time and for sharing his experience and highly practical advice with the Wooster Area Safety Council.

## CareworksComp: Life Cycle of a Claim

**JIM WIRTH, CPEA**  
Senior Risk Management  
Consultant

Please join us for the **March 22nd Wooster Area Safety Council Luncheon at Memories Party Center at 11:30 a.m.** This month’s topic is **“Life Cycle of a Claim,”** presented by **Jim Wirth of Careworks Consultants.**

The presentation will include common mistakes employers make managing their workers’ compensation and the many aspects related to preventing injuries and controlling workers’ compensation costs.

He will review how you can help your third party administrator (TPA) and managed care organization (MCO) help you.

Jim began his safety career with the Columbus Fire Department where, in addition to firefighting, he was a High Rise Coordinator and was active in the Public Speakers Bureau.

He was Safety/Security Manager for Lennox Industries, Eastern Division where Jim was responsible for the implementation of the Hazard Communication, Personal Protective Equipment and Community Right to Know Standards. He also implemented ergonomic teams and worked closely with Division of Safety and Hygiene and the OSU Biodynamics Laboratory to implement ergonomic improvements on the assembly lines and supporting departments.

Working for a large third party administrator Jim managed the implementation of a full safety resource program for a business organization’s 30,000 members. Resources included a toll-free help line, quarterly newsletters, safety videos and a safety process guide. Jim initiated the Small Business Section for the Ohio Bureau of Workers’ Compensation Safety Congress and was chairman for three years. He has given numerous presentations on both safety and workers compensation and also has experience working with NIOSH and OSHA on Research, Alliances and Partnerships.

Jim specializes’ in assisting employers with all aspects of safety and Ohio workers compensation and understands the challenge is to translate his knowledge into a language that

## Leadership Wooster focuses on local Large Enterprises

Leadership Wooster was held on Wednesday, February 1st for a session focused on Large Enterprises throughout the Wooster Area. The day opened at Sprenger Health Care Systems with facility Administrator Tonya Santos giving an overview of their operations throughout Ohio, Indiana and North Carolina. Santos and her staff also offered the class a full deluxe breakfast to start the day and a tour of the various rooms and services that Sprenger offers its residents.

The session continued with The Wooster Brush Company opening its doors to the class and Vice President Keith Hancock presenting an overview of the history, products and philosophies of the 156 year old company. The session also included an in-depth tour of all aspects of The Wooster Brush Company headquarters.

The day continued with GoJo Industries and Schaeffler welcoming the class into their facilities. GoJo, our newest corporate citizen offered an exciting look into their revitalization and reuse efforts at the former Rubbermaid facility on Akron Road and Schaeffler followed by highlighting their continual expansion projects that aim to meet the demands of a growing international market. Schaeffler also provided their training academy and a luncheon to the class.

The day concluded with a panel discussion that included Bob Buehler of Buehler's Fresh Foods, Ron Nagy of Nagys Collision Specialists, Tammy Hoffman of Seaman Corporation and Michael Carroll of Schaeffler. These leaders shared their leadership styles and business philosophies with the class.

# Now Seeking Leadership Wooster Students - Apply Today!

Leadership Wooster is the Chamber's premier leadership program designed to identify leaders and motivate them to take a leadership role in the community. Now in its 21st year, and with an alumni network totaling over 500 community members, the program has become a network of business leaders who contribute to the area through a variety of ways including volunteering and serving on the boards of local agencies.

Leadership Wooster is a series of 10 day-long sessions each devoted to a community topic. Students learn about the local economy, government, education, medical field, community organizations, volunteerism, arts & religion, and small & large enterprise. Participation is open to anyone in the area who aspires to, or has talent for, leadership positions. To apply, visit [woosterchamber.com/programs/leadership-wooster](http://woosterchamber.com/programs/leadership-wooster) for an application.

## Chamber Eyes Facility Improvements this Spring

The Chamber is excited to announce plans to improve and update the facility housing the Chamber, Main Street and Farm Bureau this Spring. After a thorough analysis of downtown properties and future needs of the above agencies, it was determined that revitalizing the Chamber facility was a financially prudent plan that would serve all agencies well. The project includes the complete configuration of the office facilities of the three organizations, the creation of an updated community lobby that will welcome visitors and members alike, along with the establishment of a 50 person conference room that can be utilized by the Chamber, Farm Bureau and Main Street membership, both during and after hours. The \$375,000 project will be seeking voluntary contributions from our memberships through naming right opportunities, recognized tiered donations and in-kind contributions. If you would like more information on the project or would like to contribute to the project, please contact the Chamber office at 330-262-5735.

# Downtown Refresh Starting July 2017

MAIN STREET  
WOOSTER INC.

In accordance with the City of Wooster's Comprehensive Plan and the Downtown Wooster Strategic Plan, July of this year will begin to see some changes in the downtown! The NE quadrant of the Public Square will begin its "refresh" with the construction of a greenspace, a larger entertainment venue, and parking.

In 2013, the results of a residential survey, focus groups and public meetings indicated strong support for downtown Wooster as the cultural center of the city. More than 4,000 residents responded to the survey on the City of Wooster's web site... The result was Downtown Strategic Plan, initiated by the City of Wooster, and, again, requesting input from the citizens on their vision for the beautification of the downtown.

The NE quadrant will undergo a transformation adding trees, shrubs and other plantings to enhance Public Square and the addition of a larger entertainment venue used for many public events. There will be the same number of parking spaces prior to the "refresh" of the quadrant.

Two public alleys will also be revamped, creating attractive pedestrian and vehicular traffic, creating attractive walkable alleys and connectivity to the Public Square and the downtown.

Thank you to the City of Wooster Administration and Wooster City Council for the support of this project, adding ambiance and accessibility for residents and visitors alike to our downtown.

# 2017 MEMBERSHIP PLAQUES

Since 1908 the Wooster Chamber has been a leader in assuring that the Wooster Area is a community that celebrates the free enterprise system through policies and procedures that support new business development and encourage business retention. Our success as a community organization would not be possible without the support from our membership and we want to annually recognize this support through the presentation of an updated membership insert. We think they look great and are excited to see our members proudly display them throughout town.
