

## RENOVATING FOR THE GROWTH OF OUR COMMUNITY

# The 2017 Chamber Facility & Property Renovation Project

### THE PROJECT

We are excited to announce plans to improve and update the Chamber Complex Facility, which houses the Wooster Area Chamber of Commerce, Farm Bureau, and Main Street Wooster. Purchased by the Chamber in 1992, the facility lacks the functionality and image that visitors would expect from such organizations within a vibrant community. With the growth of Wooster and Wayne County in recent years, the Chamber facility has become a hub of activity for new community members, new businesses, and various stakeholder meetings. After a thorough analysis of available downtown properties and future needs of the above organizations, it was determined that revitalizing and reconfiguring the Chamber Complex Facility was a financially prudent plan that would serve all well. The project includes the complete reconfiguration of the offices for the three organizations, the creation of an updated community lobby that will welcome visitors and members alike, along with the creation of a 50 person conference room. We are seeking voluntary contributions from their memberships toward the \$385,000 project through naming right opportunities, recognized tiered donations, and in-kind contributions.

#### TOTAL FUNDRAISING GOAL

**\$150.000<sup>00</sup>**

### BENEFITS OF THE PROJECT

This project will create a professional and aesthetically pleasing space that the community and membership can be proud of, while creating an efficient reconfigured floor plan that will support the current day and future growth needs of the Chamber, Farm Bureau, and Main Street Wooster. The project will also offer non-profit organizations and business members the opportunity to utilize the 50 person conference room during and after business hours. With a lack of available conference rooms throughout the community, this will meet the needs of many.

### WHO IS RAISING THE FUNDS?

The Wooster Chamber staff and Board of Directors, along with support from leadership of the Farm Bureau and Main Street Wooster, will be seeking donations for the proposed improvements.

#### TOTAL PROJECT COST

**\$385.000<sup>00</sup>**

The project includes a number of naming right opportunities and recognized donation levels.
